Letter No 4/29/9-188 dy 12-9-1950 from the Director of Public Instruction recommending retrospective promotion of Sri Sundara to the grade Rs 200-50/2-300 + Rs 1- may be given effect to from the date on from which the vacancy is actually dy 21-10-49.

X 1) The collection CB 187-50- relating to the promotion of Sri Sundara is placed below. The recommendation of the D.P.I is subd. for orders.

(K) 20/9/50

W 2) The Council Resolution specifically mentions that the promotion is to be given effect to from the date of G.O. It is for consideration whether this recent decision may be taken up for reconsideration with a view to making the promotion more advantageous to the officer than it has been, as recommended by the D.P.I.

3) In view of the terms of the Council Resn., it is clear that the Council was aware that the promotion was admissible from an earlier date.

4) Sri S. Sundara, who was in the grade of Rs 200-25-300, was promoted

to the grade of Rs 500-50/2-750 with effect from 5-10-48. He is due to get the next increment raising his pay to Rs 550/- in the grade from 5-10-48. As per G.O. No. 7701-702/C.B. 187-50-1 dated 21-8-1950, he was placed in the grade of Rs 700-50/2-800 from 21-8-50, the date of the order.

5) The vacancy in the grade of Rs 700-50/2-800 admits of promotion from 1-7-49. ~~Hence orders from authority have been issued from Secretariat~~ But the Council has decided that the promotion is to take effect from the date of the order, viz 21-8-50.

6) Now the Dir. states that Sri Sundara has only about one year's service more before superannuation and that he would not be able to earn even one increment in the higher grade or to derive the full benefit of promotion, and that, though even placing him in the grade of from 350-49 would not enable him to draw full pension on the basis of the higher grade, it would give him at least the benefit of the minimum pay of the grade for a longer period & thus contribute to an increase in pension which otherwise would not be materially

affected on account of the promotion & recommends that the promotion may take effect from 31-10-49. There would, however, be no financial objection as the vacancy admits of promotion from 1-7-49. and the proposal if sanctioned would result in the officer drawing a higher pension.

7) In the above circumstances, the re-consideration of previous decision is for Consideration and it is a Cabinet matter. if the present proposal of the Dir to promote Sri Sundra from 31-10-49. is accepted, it becomes a council matter.

Promotion of Sri ..undara, Deputy Director of Public ... Instruction to the grade Rs.700-50/2-800.

---

15) There are three posts of Deputy Directors of Public Instruction, the first one carrying a grade pay of Rs.700-50/7-850 and the other two carrying a grade pay of Rs.500-50/4-750. The post carrying the grade pay of Rs.700-50/2-800 is available with effect from 1st June 1950. The question of filling up this vacancy was considered at a meeting of the Council held on 16th August 1950 and the following decision was reached:-

"Sri S. undara, Deputy Director of Public Instruction, may be placed in the grade Rs.700-50/2-800 with effect from the date of Government order".

19) Accordingly Government order dated 21st August 1950 was issued placing Sri S.undara in grade Rs.700-50/2-800 with effect from 31st August 1950.

20) The Director of Public Instruction has recommended that Sri undara's promotion to the higher grade pay may be made with effect from 31st October 1949. While recommending this, the Director of Public Instruction stated as follows:-

"It was recommended in this office letter dated 31st October 1949 that Sri undara may be promoted with effect from 31st October 1949, the date from which his senior Gazetted Khadi retires from service. Although the vacancy in the higher grade was available from an earlier date and Sri undara's promotion was ordered with effect from 1st June 1949, his promotion from 31st October 1949 was proposed in view of the presence of his senior in service, whose promotion had been ordered by Government to be stopped. The present order of Government has placed him at a disadvantage by further curtailing the advantage to which he was entitled. As he has only one & a year's service more before superannuation and will not be able either to earn even one increment in the higher grade or to derive the full benefit of promotion. To put even placing him in the grade from 31st October 1949 as recommended would not enable him to draw full pension on the basis of the higher grade, it would give him at least the benefit of the minimum pay of the grade for a longer period and thus contributed to an increase in pension which he otherwise would not be materially affected on account of the present promotion."

promoting him with effect from the date of my Govt order

21) The Chief Secretary has noted on the case as follows:-

"The Council was aware of the fact that the promotion was possible from an earlier date and the resolution in the present terms was recorded notwithstanding it. Hence it is for consideration whether the matter should be taken up again".

22) The Minister for Education and Public Health has minuted on the file as follows:-

"Director of Public Instruction's recommendation may be approved".

23) The Chief Minister has ordered that the matter may be placed at a meeting of the Council.

X With reference to Government Order No.7701-702/C.B. 187-50-1 dated 21-8-1950 promoting Sri. S. Sundara, Deputy Director for High School Education to the grade Rs.700-50/2-800 with effect from the date of the Government Order, I write to state that it was recommended in this office letter No.Hl.2919-188/49-50 dated 28-12-1949 that Sri. Sundara may be promoted with effect from 31-10-1949, the date from which his senior, Janab M. Abdul Wahab retired from service. Though the vacancy in the higher grade was available from a much earlier date and Sri. Sundara's promotion was admissible at least from 1st June 1949, his promotion from 31-10-1949 was proposed in view of the presence of his senior in service, whose promotion had been ordered by Government to be stopped. The present order of Government, promoting him with effect from the date of the Government Order has placed him at a disadvantage by further curtailing the advantage to which he was entitled. He has only about a year's service more befor superannuation and would not be able either to earn even one increment in the higher grade or to derive the full benefit of promotion. In view of the above circumstances, I request that Government may be pleased to sanction the recommendation of this office and
